the glamour of the mad men era is in the past; these days the power is increasingly in the hands of the math men.

here is the trick to getting an article to look the way you want when opposed: expend as little energy as possible explaining yourself and just edit it to how you want it to look

tonya lawson-howard is the director of physician and referral source marketing at nationwide children’s hospital, the 4th largest pediatric hospital and research center in america

i am from a 3rd world country... right get your facts straight whitey

(this comment will come through in at least four pieces, perhaps a few more)
